HOMECOMING PROS AND CONS

PROS	CONS
Pep Rally: - Having band - The game/including class was fun - Very organized - Lights were a good addition - Overall fun rally Candidate Rally: - Transitions from speech and dance was good - Decoration looked good and it was fun - No issue with timing - Setting up the day before Night Rally: - Being out on the field - People who wanted to participate/ actually be there were there - Easy to run the rally - - Clean up was easier - Musical chairs was a good addition - People want to be part of it - Using the drone was cool - Announcing who won the night of - Every class did a good job - A lot of people participated/ good bonding experience - Having spirit items - A lot of people who normally don't get involved went/ participated - Spirit was good and a lot of support	Pep Rally: - Too loud when people were speaking - Balloon Arch in the middle - Not the same energy during the fashion show Candidate Rally: - Not everyone helped to decorate the gym - People went over the time limit for speeches - Difficult to hear speeches: Air conditioning came on - Students weren't being supportive/ spirited Night rally: - Judges had a bad view to watch the lip sync - Music was difficult to hear - People were standing and moving outside their areas - Grass was wet - Parent could not see the dance - People weren't listening - Needed to be publized more - Not everyone was cleaning up

Suggestions:
Pep rally:
- Break before game
- Moving balloon arch
- Handing out spirit items
Candidate Rally:
- Candidates need to already know their dance
- Move speeches towards the middle

- Spirit points

Night Rally:
- Having things to indicate where each class sits
- Use weights to mark sections
- Publicize bringing towel/blanket
- Strict time limit for the dance
- Revise rules for competitions
- Sitting on the track
-
