### Assignment #1

Directions: For the first part of this assignment you are required to do a write up on the following topics:

1. What has been my most memorable moment in leadership?
2. What does your leadership legacy mean to you?
3. With the impact of Covid 19 in activities in general for our student body, what is your mindful moment (your silver lining) with the challenges we have faced together this year?

### Assignment #2
